(Could be used for Email, Newsletter, and/or Website)

We are excited to announce that we have officially earned a Silver designation as a Sustainable Shop, a program of the nonprofit Sustainable Pittsburgh. The designation recognizes the commitment we have to our community, our economy, and our planet.

Sustainable Pittsburgh Shops are evaluated based on overall sustainability performance across a range of categories and actions designed to help retail stores care for the communities they touch, while protecting the environment and enhancing regional economic growth.

When you shop with us, you are helping build vibrant communities and supporting environmentally responsible practices. Visit SustainablePittsburgh.org/shops to learn more about the Sustainable Pittsburgh Shop program and how we are strengthening our local communities and the greater Pittsburgh region.
